

Books of the Bible

Someone once made a remark about the hidden books of the Bible. It was a lulu, kept people looking so hard for the facts and for others it was a revelation. Some were in a jam, especially since the names of the books were not capitalized, but the truth finally struck home to numbers of readers. To others it was a real job. We want it to be a most fascinating few moments for you. Yes there will be some real easy ones to spot. Others may require judges to help them. I will quickly admit it usually takes a minister to find one of them and there will be loud lamentations when it is found. A little lady says she brews a cup of tea so she can concentrate better. See how well you can compete. Relax now, for there really are sixteen names of books of the Bible in this story.

(Good Luck!! One preacher found 15 books in 20 minutes but it took him three weeks to find the 16th one.)
