Tracy Ledford

Born in Atlanta, raised and educated in Cleveland, GA, Tracy earned her LPN at NGTC then an RN from Excelsior College. Most of her nursing career has been in Long Term Care beginning at age 15 (ask her), assisted living and hospice (her favorite). Currently She is Director of Clinical Standards and Programs with Life Care Centers of America. She has two children, Trevor and Lynn; enjoys camping and kayaking, but not much time for hobbies as her work involves frequent travels.

Tracy was brought to CLCC by her spouse, Monica: "This church is amazing!...the most giving church I've ever known." She can usually be found in the church kitchen and gives real meaning to the work of hospitality.
